FOOD TRUCK THURSDAY FAQs

- **FOOD TRUCKS:** the schedule is posted on tedsbeerhall.com/foodtrucks - check it out! As in the past, we will not serve our regular menu on Thursday, just snacks and light bites.
- **MUSIC:** Thanks to our presenting sponsor K105FM and all our great sponsors for a killer lineup this year! The music lineup is posted with the Food Truck Schedule at tedsbeerhall.com/foodtrucks
- **ADULT BEVERAGES:** We serve beer, wine, and slushees. We will again have 3 bars setup: Our beer trailer (card only), the Beerhall bar (cash or card) and the Beercade (21+, cash or card). **SLUSHEES ARE IN THE BEERCADE.** (You do not need to pay cover for drinks, just to play the games)
- **NO OUTSIDE FOOD/BEVERAGE:** Please no outside food or beverage. We are able to offer the great music and food trucks based on your patronage. (Also, it is illegal to bring outside alcohol.)
- **SERVERS/STAFF:** We have limited servers on Thursday, but plenty of people who can help you out if you need something! For assistance, please ask our host or bartenders.
- **RESTROOMS:** We have all ages restrooms available on our main level (teds beerhall), as well as 21+ restrooms available in our lower level (teds beercade). Both are handicap accessible.
- **NO RESERVATIONS ON THURSDAY:** We **DO NOT** take reservations on Food Truck Thursday, (We may hold tables for our music sponsors. It is part of the sponsor benefit package.)
- **PARKING:** We will help you find parking! Please listen to the officer on duty & our parking staff to help you get parked safely. Please note, we fill up most weeks, but there are always people coming and going, so parking availability changes constantly!
- **PETS & KIDS:** both fine as long as they are on a leash. That is literal for the pets & figurative for the kids. We do need parents to mind their children. There are many people and many cars, and the lot is not to be used as a sports field...especially not the parking areas.
- **FIRE PITS:** We are unlikely to light fires during Food Trucks due to the large number of people, especially kids & pets (and the fact our patios close at 10pm). Lighting a fire is at the manager's discretion.

THANK YOU FOR READING! HAVE A BLAST AT FOOD TRUCK THURSDAY!
