

## **FOOD TRUCK THURSDAY FAQs**

- **FOOD TRUCKS**: the schedule is posted on <u>tedsbeerhall.com</u> check it out! We will NOT serve our regular menu on Thursday. Just snacks and light bites. Kind of like the past 7 years!
- MUSIC: Thanks to our presenting sponsor K105FM and all our weekly sponsors for a killer lineup this
  year! Schedule is posted with the Food Trucks on tedsbeerhall.com
- ADULT BEVERAGES: We have 3 bars setup: 1 outside, one in the Beerhall (all ages) and one in the Beercade (21+). SLUSHEES ARE IN THE BEERCADE. (You do not need to pay cover to get drinks. Just to play the games)
- **SERVERS/STAFF**: we have limited servers walking around, but plenty of people who can help you out if you need something! Check with our host or bartenders.
- **RESERVATIONS**: we DO NOT take reservations on Thursday, BUT we do have one patio that was able to be rented. It seats 24 and has a dedicated drink server. We still have a few weeks available, if you are interested. Email: <a href="mailto:reservations@teds-market.com">reservations@teds-market.com</a> for information.
- PARKING: it is limited, but we have done what we can over the years. Please listen to Officer Todd &
  our staff to help you get where you need to be. (See map here: PARKING MAP)
- PETS & KIDS: both fine as long as they are on a leash. That is literal for the pets & figurative for the kids. We do need parents to mind their children. It is not a soccer/football/volleyball field & the parking areas/cemetery are not for tag.
- **FIRE PITS**: We are unlikely to light fires during Food Trucks, due the large number of people, especially kids & pets (and the fact our patios close at 10pm). Lighting a fire is at the manager's discretion.
